I wouldn't lie

You're like a sanctuary, A poet's memory I wouldn't lie

A universe of happiness Beneath your be-bop dress I wouldn't lie

And I love you, and I love you 'Cos you're my nameless wildness

You're like a precious book, A stolen golden look I wouldn't lie

So keep your consciousness Volcanoes in my breast I wouldn't lie

And I love you, and I love you 'cos you're my nameless wildness

I wouldn't lie, I wouldn't lie
'Cos I love you, and I love you
'Cos you're my nameless wildness

I wouldn't lie [Repeat to end]
