

# Do I Make You Proud

Taylor Hicks

[Verse One:]

I've never been  
The one to raise my hand  
That was not me  
And now that's who I am  
Because of you  
I am standing tall  
My heart is full  
Of endless gratitude  
You were the one  
The one to guide me through  
Now I can see  
And I believe  
It's only just beginning

[Chorus:]

This is what we dream about  
But the only question with me now  
Is do I make you proud  
Stronger than I've ever been now  
Never been afraid of standing out  
Do I make you proud

[Verse Two:]

I guess I've learned  
To question is to grow,  
That you still have faith,  
Is all I need to know,  
I've learned to love,  
Myself in spite of me,  
And I've learned to  
Walk on the road I believe.

Everybody needs to rise up  
Everybody needs to be loved  
To be loved  
Everybody need to rise on  
Everybody needs to be loved, to be loved

This is what we dream about  
But the only question with me now  
Is do I make you, do I make you proud  
This is what we dream about  
Never been afraid of standing out  
Do I make you proud  
Stronger than I've ever been  
Never been afraid of standing out

Do I make you proud  
Do I make you proud
