

Change

Taylor Swift

And it's a sad picture, the final blow hits you
Somebody else gets what you wanted again and
You know it's all the same, another time and place
Repeating history and you're getting sick of it
But I believe in whatever you do
And I'll do anything to see it through

Because these things will change
Can you feel it now?
These walls that they put up to hold us back will fall down
This revolution, the time will come
For us to finally win
And we'll sing hallelujah, we'll sing hallelujah

So we've been outnumbered
Raided and now cornered
It's hard to fight when the fight ain't fair
We're getting stronger now
Find things they never found
They might be bigger
But we're faster and never scared
You can walk away, say we don't need this
But there's something in your eyes
Says we can beat this

Because these things will change
Can you feel it now?
These walls that they put up to hold us back will fall down
This revolution, the time will come
For us to finally win
And we'll sing hallelujah, well sing hallelujah

Tonight we stand, get off our knees
Fight for what we've worked for all these years
And the battle was long, it's the fight of our lives
But we'll stand up champions tonight

It was the night things changed
Can you see it now?
These walls that they put up to hold us back fell down
It's a revolution, throw your hands up
Cause we never gave in
And we sang hallelujah, we sang hallelujah
Hallelujah
