

# I Wish You Would

Taylor Swift

It's 2 am, in your car  
Windows down, past my street the memories start  
You say it's in the past  
You drive straight ahead  
You thinking that I hate you now  
Cause you still don't know what I never said

I wish you would come back  
Wish I never hung up the phone like I did  
I wish you knew that  
I will never forget you as long as I live  
I wish you were right here, right now  
It's all good  
I wish you would

It's 2am, in my room  
Headlights pass the window pane  
I think of you  
We were crooked love  
In a straight line down  
Makes you wanna run and hide  
It'd makes you turn straight back around

I wish you would come back  
Wish I never hung up the phone like I did  
I wish you knew that  
I will never forget you as long as I live  
I wish you were right here, right now  
It's all good  
I wish you would

I wish we could go back  
And remember what we were fighting for  
I wish you knew that  
I miss you too much to be mad any more  
I wish you were right here, right now  
It's all good  
I wish you would

You always knew how to push my buttons  
You give me everything and nothing  
This mad, mad, love makes you come running  
Stand back wasted  
I wish you would, I wish you would  
I wish you would, I wish you would

2 am, here we are  
See your face, hear my voice in the dark  
We're a crooked love  
In a straight line down  
Makes you wanna run and hide  
But it made us right turn back around

I wish you would come back  
Wish I never hung up the phone like I did  
I wish you knew that  
I will never forget you as long as I live

I wish you were right here, right now  
It's all good  
I wish you would

I wish we could go back  
And remember what we were fighting for  
I wish you knew that  
I miss you too much to be mad any more  
I wish you were right here, right now  
It's all good  
I wish you would

You always knew how to push my buttons  
You give me everything and nothing  
This mad, mad, love makes you come running  
Stand back wasted  
I wish you would, I wish you would  
I wish you would, I wish you would
