

# Take It Wrong

TGT

I hope that you don't take it wrong  
When I say I'm bout the usual  
Girl I'm tryna make you comfortable  
I hope that you don't take it wrong  
Girl until we meet the spotlight  
There's other things that we gon do tonight  
I hope that you don't take it wrong  
When I say I'm bout the usual  
Girl I'm tryna make you comfortable  
I hope that you don't take it wrong  
Girl until we meet the spotlight  
There's other things that we gon do tonight, do tonight

Girl I'm really don't want much from you  
Look me in my eyes while I'm touchin you  
Look me in my eyes while I'm touchin you  
Look me in my eyes while I'm touchin you  
Roll when a young player throw it or not  
Kiss em in places I know you like  
Kiss em in places I know you like  
Kiss em in places I know you like  
Let's take a champagne shower  
In the tub for a hour  
In the tub for a hour  
In the tub for a hour  
Girl you know you're my sweetheart  
Hope that I didn't take it too far  
Hope that I didn't take it too far

I hope that you don't take it wrong  
When I say I'm bout the usual  
Girl I'm tryna make you comfortable  
I hope that you don't take it wrong  
Girl until we meet the spotlight  
There's other things that we gon do tonight  
I hope that you don't take it wrong  
When I say I'm bout the usual  
Girl I'm tryna make you comfortable  
I hope that you don't take it wrong  
Girl until we meet the spotlight  
There's other things that we gon do tonight, do tonight

Baby, come on and let yo head down  
I'm about to freak you right now  
Baby when I hit that, hit that, hit that hard  
Baby I'm a take my time  
If you don't like  
Baby I'm a do it all night  
For now we take it slow, no need to rush now  
We can get bed on the low  
I'm a give you this love baby  
Tonight, uh bang in the bed  
I told you won't give her something long

I hope that you don't take it wrong  
When I say I'm bout the usual  
Girl I'm tryna make you comfortable

I hope that you don't take it wrong  
Girl until we meet the spotlight  
There's other things that we gon do tonight  
I hope that you don't take it wrong  
When I say I'm bout the usual  
Girl I'm tryna make you comfortable  
I hope that you don't take it wrong  
Girl until we meet the spotlight  
There's other things that we gon do tonight, do tonight

It's 3 in the morning, body on tin  
Girl let me put it in, let the games begin  
Don't keep a nigga to yo self, girl bring a friend  
Let's fuck tonight, no love making  
No, baby girl you already know  
I can hit it all night if you say so  
We can do it in the bed, on the floor,  
in the bathroom robe 'cause tonight anything goes  
And I fuck for free  
I'm a hit er right, ay nigga rain on me  
Patron in my cup, put yo red bottoms up  
Baby I'm a activate yo inner... freak  
'Cause in my bedroom there's a freakshow  
Tonight's yo night, anything goes  
Tonight's yo night, anything goes

I hope that you don't take it wrong  
When I say I'm bout the usual  
Girl I'm tryna make you comfortable  
I hope that you don't take it wrong  
Girl until we meet the spotlight  
There's other things that we gon do tonight  
I hope that you don't take it wrong  
When I say I'm bout the usual  
Girl I'm tryna make you comfortable  
I hope that you don't take it wrong  
Girl until we meet the spotlight  
There's other things that we gon do tonight, do tonight
