

# Champs Elysees

The Adicts

I look so debonaire  
I haven't got a care in this world,  
this crazy world  
And I act oh so suave  
Sophisticated, boy I've got it all  
I'm a star

Dance the night away  
Down in gay Paris  
Dance the night away  
On the Champs-Elysees  
Dance the night away  
Down in gay Paris  
Dance the night away  
Make it sleazy

I am a mystery  
Not what I seem to be, oh no  
It's so Parisian.  
I am a masquerade  
Just a man-parade  
So I dance, I dance with you.

Dance the night away  
Down in gay Paris  
Dance the night away  
On the Champs-Elysees  
Dance the night away  
Down in gay Paris  
Dance the night away  
Make it sleazy

I look so debonaire  
I haven't got a care in this world,  
this crazy world  
You'll see my name in lights  
One of the better sights  
I'm the attraction,  
I'm a star.
