

(Warwick)

I believe in givin' you my soul

'Cos when you shoot me down

You talk like an angel

I won't ask you any questions

'Cos I don't wanna know

We got something for nothing child

So don't let go

I want you

I need you

I know you got it child

I know you got it all

You're a gift horse comin' ain't gonna let it go no, no

Gift horse baby ain't gonna let you go no, no

Well you push me to edge of happiness

I want to fall into your soul

Tear your dreams apart

There's too many reasons for livin'

When you're in my world

This must be heaven on earth

Sweet child

I want you

I need you

I know you got it child

I know you got it all

You're a gift horse comin' ain't gonna let it go no, no

Gift horse baby ain't gonna let you go no, no

I want you

I need you

I know you got it child

I know you got it all

You're a gift horse comin' ain't gonna let it go no, no

Gift horse baby ain't gonna let you go no, no
