Standing Still

The Association

Stay by me and tell me how my kiss can cause a change in you Send out your thoughts on love in tender phrases proven true

We found what seems to be A love that will always be The kind of thing that makes the rest of life seem to be Standing still

Gentle warmth flows through my soul each time my lips come clos e to yours The beauty of the moment makes the kiss worth waiting for

We found what seems to be A love that will always be The kind of thing that makes the rest of life seem to be Standing still

Words could never say as much as the silence of a lovers' kiss Now our lives seem to blend into a timeless eternal bliss
