The BossHoss

no matter where you are, you're with me
no matter how you feel, i'll feel the same
you can count on me, i'll care for you
i always be so ...

close to you and you're gonna be
so close to me no matter
how far you're away from me
you'll be right by my side
close to me,
so close to me, so close to me
so close to me, so close to me

i'll hold you in my arms
won't let you slip away
you'll just think of me and i will be
running to you no matter where you are
and endlessly i'm gonna be so
