

# Have You Seen Her

The Chi-Lites

One month ago today  
I was happy as a lark  
But now I go for walks  
To the movies maybe to the park

And have a seat on the same old bench  
To watch the children play  
You know, tomorrow is their future  
But for me, just another day

They all gather around me  
They seem to know my name  
We laugh, tell a few jokes  
But it still doesn't ease my pain

I know I cant hide from a memory  
Though day after day I've tried  
I keep sayin' she'll be back  
But today again I've lied

Oh, I see her face everywhere I go  
On the street and even at the picture show  
Have you seen her?  
Tell me, have you seen her?

Oh, I hear her voice as the cold winds blow  
In the sweet music on my radio  
Have you seen her?  
Tell me, have you seen her?

Why, oh, why did she have to leave and go away  
Oh, I've been used to havin' someone to lean on  
And I'm lost, baby, I'm lost

Have you seen her?  
Tell me, have you seen her?  
Have you seen her?  
Tell me, have you seen her?

Oh, she left her kiss upon my lips  
But left that break within my heart  
Have you seen her?  
Tell me, have you seen her?

Oh, I see her hand reaching out to me  
Only she can set me free  
Have you seen her?  
Tell me, have you seen her?

Why, oh, why did she have to leave and go away, oh yeah  
Oh, I've been used to havin' someone to lean on  
And I'm lost, baby, I'm lost

Have you seen her?  
Tell me, have you seen her?

As another day comes to an end

I'm lookin' for a letter or somethin'  
Anything that she would send

With all the people I know  
I'm still a lonely man, you know, it's funny  
I thought I had her in the palm of my hand

Tell me, have you seen her?

Have you seen her  
Tell me, have you seen her  
Have you seen her  
Tell me, have you seen her

Have you seen her  
Tell me, have you seen her  
Have you seen her  
Tell me, have you seen her

Have you seen her
