

Goodbye Baby & Amen

The Constantines

For the break this new year
Strange wonders from the kingdom disappear
Bring me the poison dart
Bring me the shining spear

Human kindness
Sold down the river
Raise the edge against the hurricane water
Goodbye baby and amen

Happy little man can see just fine
The golden engines won't receive me
I sleep with the pigeons
Beneath the kingdom that deceives me

Human kindness
Sold down the river
Human kindness is overflowing
Goodbye baby and amen

Human kindness
Sold down the river
Human kindness
Sold down the river
