Because

The Dave Clark Five

It's right that I should care about you And try to make you happy when you're blue It's right, it's right to feel the way I do Because, because I love you

It's wrong to say I don't think of you 'Cause when you say these things You know it makes me blue

Give me one kiss and I'll be happy Just, just to be with you Give me, give me, a chance to be near you Because, because I love you

Give me one kiss and I'll be happy Just, just to be with you Give me, give me, a chance to be near you Because, because I love you Because, because I love you
