

The CD In Your Hand

The Fall

Moderninity what it means to you and I and this CD you hold in your hand. Cabbies get life story beatings. Co-workers get told stories: resignations. The reasonable authorities get told humiliations. Five - old friends get life story degradations and informing

Six - Your medically renewed face appears in penance : get on Dick & Judy. Your opinion on Lennon & McCartney get on same prog central sat next to Fred West sweaty family.
