Take That

The Game

Yeah, so what they want from a nigga?
Rose on fours, yeah, broad in this bitch ice skating big figures
My day one niggas, weak game bitches
Downing all this hate and you wonder why a nigga trippin'
Enemies distant, you washed up, dry dishes
Versace in my kitchen, my shit different
Hundred grand, bet it on it, caviar with the jet pilot
I land runway, they light it, world united
Gave her this dick, she gon' like it
Just don't bite it and politely
Say she need me like an ID, but I be outtie
Five thousand, gold Audi

You are, you are, you are so special to me
I wanna come home to you, I wanna make love to you
But I gotta get this cheese
Girl, I know you like that
Tell me anything you want and I'mma get that for you
Got me thinking I'mma wife that
Your girls and my niggas know that I ride for you
Ooh, ooh, girl keep shaking them hips for me
Ooh, ooh, girl, keep biting them lips

And I just don't wanna waste your time
Don't wanna waste my time
So let them niggas know that you're all mine
You're my wifey
He ain't appreciate so you knew I had to take that
Got a hundred bands on me, yeah
Shake that, girl, I wanna feel your body, yeah
Take that, got a hundred grand on me
Can't fake that, girl, I'm a real OG

Girl, what you want from me?
Oh oh, yeah, work it, get this money
Get this money
Girl, what you want from me?
Oh, I'm coming, be there in a hurry
Hurry, be there in a hurry

You can scream if you want to, dream if you want to
Take that Maserati, try the Beam if you want to
Get you a ring cause I want you, you're mine
It ain't nothing that I won't do for you
Leave all these other girls alone just for you
So every night I'm coming home just for you
Ain't nothing more you can prove to me
I love everything that you do to me
Ooh, ooh, girl keep shaking them hips for me
Ooh, ooh, girl, keep biting them lips

Girl, what you want from me?
Oh oh, yeah, work it, get this money
Get this money
Girl, what you want from me?
Oh, I'm coming, be there in a hurry
Hurry, be there in a hurry

Take that, shake that
Take that, can't fake that
