

## Yeah Sapphire

### The Hold Steady

Yeah Sapphire  
I'm sick and tired and I'm fried and  
you gotta believe me.  
Yesh Sapphire  
if I cross myself when I come  
would you maybe receive me?  
Yeah Sapphire  
you were fiesty at first but I broke you  
and showed you the tempo.  
Sacramento.  
It swung at us first  
but it ended up going down gentle

Sapphire, If Cheyenne's too small.  
We'll haul it all back to St. Paul  
I was just about to call you when you called.

Yeah Sapphire  
I know the last time we touched I came on a bit rough  
please forgive me.  
After you left it was a big sketchy mess.  
They almost killed me.

Sapphire, If Cheyenne's too small.  
We'll haul it all back to St. paul  
I was just about to call you when you called.

Sapphire, If St. Paul don't call  
we've always got Aberdeen.  
Because dreams they seem to cost money  
but money cost some dreams

It went just like you predicted  
I swear there must be something in your dreams  
It all went down exactly like your visions  
I know you said don't call until I'm clean  
I'm not drunk  
I'm cut  
I'm gushing blood  
I need someone to come and pick me up.

I was a skeptic first but these miracles work.
