## **Favorite Girl**

## The Icarus Account

Boston never seemed to be So lovely in the fall to me Florida's not so cold But distance just gets old

Hey maybe we can stay Maybe we can lay like this forever

Don't you know she is my favorite girl I want to run away for days with her And if you promise not to say a thing I'm gonna buy that girl a diamond ring

I said oooooh
I think I love you
Oooooh
I think I love you, I love you
My favorite girl

It's funny how love takes you by surprise
And I just didn't know what I was missing 'til you opened my ey
