

# This Is Not A Love Song

The Juliana Theory

The time is 2:22  
And I hope your wish comes true  
But you say I'll know before you do  
And I hope you're right  
Why can we talk this way  
We always speak

When you're so far away  
And I'm sitting right here  
It's 10:00 your time  
And it's 1 by mine

And I often wonder  
Why you even care  
Do you ever wonder ever wonder why  
We met here

The time is 2:22  
And I hope my wish comes true  
And I think I'll know just when you do  
And I hope I do  
Maybe this is just what I need

Maybe I'm wrong  
Maybe I'm wrong  
Maybe I'm wrong  
Maybe I'm wrong  
Maybe I'm wrong

When you're so far away  
And I'm sitting right here  
It's 10:00 your time  
And it's 1 by mine
