

When You Were Young

The Killers

capo IV

You sit there in your heartache
Waiting on some beautiful boy to
To save you from your old ways
You play forgiveness, watch it now, here he comes

He doesn't look a thing like Jesus
But he talks like a gentleman
Like you imagined when you were young

Can we climb this mountain I don't know
Higher now than ever before, aah
No, we can make it if we take it slow
G C
Let's take him easy, easy now, watch it go

We're burning down the highway skyline
On the back of a hurricane that started turning
When you were young

When you were young

And sometimes you close your eyes and see
The place where you used to live
When you were young

They say the devils water it ain't so sweet
You don't have to drink right now
But you can dip your feet
Every once in a little while

(x3)

You sit there in your heartache
Waiting on some beautiful boy to
To save you from your old ways
You play forgiveness, watch it now, here he comes

He doesn't look a thing like Jesus
But he talks like a gentleman
Like you imagine when you were young

(he talks like a gentleman like you imagine) when you were young

I said

He doesn't look a thing like Jesus

He doesn't look a thing like Jesus

But more than you'll ever know
