190 proof 190 proof the lac lac boys 190 the lac lac boys

I'm back up in the saddle and I'm ready to ride I gotta fifth o
f jim beam and a jug of moonshine I've kicked all week on 2 day
sleep so go on slide to the side of the passenger seat I got t
he pedal to the metal can't stop that diesel I got tour bus ful
l of straight partyin people rollin 128 gotta pick up the pace
had to pass jimmy Johnson just to take first place I remember m
iranda lambert at the CMA'S said I never see a country boy rock
this way I don't need to rehearse I'm just doin what I'm feeli
n muscadine red wine and the papt's blue ribbon I could give a go
od damn bout the money or the glame give me ol johnny cash and
a beer up in my hand I represent the real Red White and Blue I
represent the truth 190 proof

Came crawlin through the mud triped up on a gold mine workin on
a buzz holler at me when it's show time me and big boy pop a t
op and get it goin gotcha reachin in your cooler you'll be drun
k before you know it, yea we got drink smoke no passin out get
the party started right around about now I put the shots up on
the bar goin throwin em down find a lil country girl maybe go f
or a round so keep it country as a coondog holler at my people
tell em meet me at the pool hall it on for tonight gonna try to
drink a case or 2 before the morning sun kill a half a gallon
bottle go ahead and get r done.
