

## Words

## The Leaves

This words have lost their glory  
Let's start a brand new story now my love  
Right now there'll be no other time  
And I can show you all my love

Talk in everlasting words  
And dedicate them all to me  
I will give you all my life  
It's here if you should call to me

You think that I don't even mean  
A single word I say  
It's only words and words are all I have  
To take your heart away
