

New Horizons

The Moody Blues

Well I've had dreams enough for one
And I've got love enough for three
I have my hopes to comfort me
I got my new horizons out to sea

But I'm never going to lose your precious gift
It will always be that way
And I know I'm going to find
My own peace of mind
Someday, someday

Where is this place that we have found
Nobody knows where we are bound
I long to hear, I need to see
'Cause I've shed tears too many for me

But I'm never going to lose your precious gift
It will always be that way
'Cause I know I'm going
to find my own peace of mind
Someday, someday

On the wind soaring free
Spread your wings
I'm beginning to see
Out of mind far from view
Beyond the reach of the nightmare come true

Well I've had dreams enough for one
And I got love enough for three
I have my hopes to comfort me
I got my new horizons out to sea

But I'm never going to lose your precious gift
It will always be that way
'Cause I know I'm going
to find my own peace of mind
Someday, someday
