

# Nobody Knows

The Nylons

We all wanna be in a magic life  
Move down the road to get somewhere  
We all gotta pay and the cost is high  
What's yours or mine no time to care

You, you should know  
You gotta let it flow  
Baby you can't win the fight  
Nobody's wrong nobody's right  
Nobody's wrong nobody's right  
Baby that's the way it goes  
And where it stops nobody knows  
Nobody knows

I hold on to you with all my will  
Until the winds of change begin  
So don't let go on the edge of fear  
The game will make you play to win

Baby you should know  
You gotta let it flow  
Baby you can't win the fight  
Nobody's wrong nobody's right  
Nobody's wrong nobody's right  
Baby that's the way it goes  
And where it stops nobody know  
Nobody knows

You stop you're done  
You're in the red zone  
You're on the run  
You can't go home

You should know  
You gotta let it flow  
Baby you can't win the fight  
Nobody's wrong nobody's right  
Nobody's wrong nobody's right  
Baby that's the way it goes  
And where it stops nobody knows  
Nobody knows
