

# The Rains of May

The Raveonettes

When the lights go out and tears are falling  
How do you feel by the end of the day  
Did you hurt someone who always loved you again

Did you cross the line did you stray yeah you did  
What if you fell to a hell below  
Do you think of death the same way I always do

What if you fell  
What if you fell  
What if you fell to a hell below  
Would it hurt the same way you hurt me

I don't feel like going to the movies tonight  
Why don't we stroll to the cemetery  
To remind you where you'll end up if you fuck around again

I don't ever wanna see you again
