

12 Hours It Takes Sometimes

The Reindeer Section

You maybe far from me
but I dont need you any less
it maybe cold in your bed
but you know my love is warm
with new rules it is hard
when you cant ask anyone
who survived the distance test
and has still got strength and love

we'll be here for 30 years or maybe more
you dont have to worry that we don't have time
lets find are way to meet in the middle of
somewhere finer in our own time when we can

we try to hold our heads
above the water line
at times it's hard not to rise
to the shit you have to take.
We'll hold our heads and we'll wait
till our feet will fit there shoes
and learn to make all the choices that
all the others never made
