

Beautiful Love Of God

The Roches

Am I alone in this world
Can somebody hear me
Or be near me am I blind to the love
The beautiful love of God
Here I am standing before a crowd
Trying to belong, terrified of hiding
Asking you to listen to my song
Asking you to listen to me
Am I alone in this world
A woman I know, I saw her in the street
She was selling books no family no money
I could not find a way to say hello
I could not find a way to say hello
Am I alone in this world
Late last night a man at the garbage can
Was picking through the crap and the neighborhood boys
Starting beating him up with a baseball bat
Beating him up with a baseball bat
Am I alone in this world
Can somebody hear me
Or be near me am I blind to the love
The beautiful love of God
