

## My Sick Mind

The Roches

Listen to the people talk.  
Listen to the people talk.  
She's such a good girl.  
She's such a good girl.

No. Nobody knows.  
Nobody knows;  
Not even your best friend knows the bind you're in.

I checked  
myself in the mirror  
before I came out tonight  
changed clothes several times  
and now I feel  
as though I put on airs.
