

# Sleep

The Roots

[Verse 1: Aaron Livingston]  
Like when autumn leaves fall  
Down from the trees  
There goes, my honey bee  
I've lost a lot of sleep to dreams  
And I do not miss them yet  
I wouldn't wish them on than worst of enemies  
Let them burn, go from here  
Like when autumn leaves  
[Verse 2: Black Thought]  
To catch a thief  
Who stole the soul I prayed to keep  
Insomniac  
Bad dreams/Got me losing  
Sleep  
I'm dead tired  
My mind playing tricks  
Deceit  
A face in the glass /Unable to admit defeat  
All that I am all that I was is history  
The past unraveled adding insult to this injury  
I'm fighting the battle for the soul of the century  
Destiny is everything that I pretend to be  
Look, and what I did came back to me eventually  
The music played on and...  
Told me I was meant to be awake  
It's unresolved  
Like everything I had at stake  
Illegal activity controls  
My black symphony  
Orchestrated like it happened  
Incidentally  
Oh... there I go  
From a man to memory  
Damn  
I wonder if my fam will remember me  
[Verse 3: Aaron Livingston]  
I've lost a lot of sleep to dreams  
And I do not miss them yet  
I wouldn't wish them on the worst of enemies  
Let them burn, go from here  
Like when autumn leaves
