

A Story

The Rosebuds

I want to know how you feel
I want to tell you how I feel
I want to know how it feels, do you?
I want to tell you
It's a colder time, on our way home
I want to know where to begin with you
I want to know how to begin
Wait, wait for a time
I want to tell you
Wait, it's just slow
I want to tell you how it feels
I want to tell you how it feels
I want to know how it began with you
I want to tell you how I feel
