

# Before the Worst

## The Script

It's been a while since the two of us talked  
About a week since the day that you walked  
Knowing things would never be the same  
With your empty heart and mine full of pain  
So explain to me, how it came to this  
Take it back to the night we kissed  
It was Dublin city on a Friday night  
With vodkas and coke, I was Guinness all night

We were sitting with our backs against the world  
Saying things that we thought but never heard  
Oh, who would have thought it would end up like this?  
Where everything we talked about is gone  
And the only chance we have of moving on  
Is trying to take it back before it all went wrong

Before the worst, before we met  
Before our hearts decide  
It's time to love again  
Before too late, before too long  
Let's try to take it back  
Before it all went wrong

There was a time, that we'd stay up all night  
Best friends, yeah, talking 'til the daylight  
Took the joys alongside the pain  
With not much to lose but so much to gain  
Are you hearing me? 'Cause I don't wanna miss,  
That you would drift on memory bliss  
It was Grafton Street on a rainy night  
I was down on one knee and you were mine for life

We were thinking we would never be apart  
With your name tattooed across my heart  
Oh, who would have thought it would end up like this?  
Where everything we talked about is gone  
And the only chance we have of moving on  
Is trying to take it back before it all went wrong

Before the worst, before we met  
Before our hearts decide  
It's time to love again  
Before too late, before too long  
Let's try to take it back  
Before it all went wrong

If the clouds don't clear  
Then we'll rise above it, we'll rise above it  
Heaven's gate is so near  
Come walk with me through  
Just like we used to, just like we used to

Let's take it back  
Before it all went wrong

Before the worst, before we met  
Before our hearts decide

It's time to love again  
Before too late, before too long  
Let's try to take it back  
Before it all went wrong

Let's try to take it back  
Before it all went wrong
