

Earthbeat/Wedding Song

The Slits

Earthbeat it pauses in space
Trippin' trippin' trippin' through a holy sky
Trippin' trippin' trippin' trippin' through a holy sky
Even the air is dizzy earthbeat
Even the leaves are wheezing earthbeat
Even the clouds are coughing earthbeat
Sun beats furiously
Creatures basking around

Future yobs
Future you're to leave is small
Yobs yobs
Future you're to leave is small

Even the earth is dizzy earthbeat
Even the leaves are wheezing
Even the clouds are coughing
Earthbeat earthbeat
Burning energy illicitly
Lightbulbs flickering

Bhanya lei
It'll stretch steeply
Bhanya lei
It'll stretch steeply

Even the earth is dizzy
Even the clouds are coughing
Even the leaves are wheezing

Even the earth is dizzy earthbeat
Even the leaves are wheezing
Even the clouds are coughing

Earthbeats earthbeats earthbeats earthbeats
Earthbeats earthbeats earthbeats earthbeats

Even the earth is dizzy
Even the leaves are wheezing
Even the clouds are coughing

Earthbeats earthbeats earthbeats earthbeats...
