

Rave From The Grave

The Texas Drag Queen Massacre

Well there's a party down here,
Creepshow tonight,
I'm in the graveyard,
And I'm feeling alright,
We're gonna rock 'til we drop,
Yeah that's what i said,
So crank up the amps,
Because we're raising the dead.

We were killed and raised,
In Texas USA,
We are the rave from the grave,
We were killed and raised,
In Texas USA,
We are the rave from the grave.

A gig as entertaining,
As a funeral,
We got the drumkit set up,
On a memorial,
We're gonna shock 'til we drop,
Til the blood flows red,
So join the "Boneyard Ball",
Because we are the dead.

We were killed and raised,
In Texas USA,
We are the rave from the grave,
We were killed and raised,
In Texas USA,
We are the rave from the grave.

We were killed and raised,
In Texas USA,
We are the rave from the grave,
We were killed and raised,
In Texas USA,
We are the rave from the grave.
