

Pretty Lisa

The Tiger Lillies

Pretty Lisa's selling candy, selling candy by the bar
Pretty Lisa's training hard to be a high wire star

Well her life is just a journey upon a roundabout
Every thing is very pretty until the ride runs out

Dashing Tony is her trainer he got straight white teeth
Lisa thinks he is an angel but he's a pimp and he's a thief

Tony has his pretty Lisa tattooed from head to toe
Now she's working in a booth in the freak-show

Tony hits his pretty Lisa but everything is fine
The tattoos hide the bruises every time
