Flamenco

The Tragically Hip

Does it diminish your Super-capacity to love? Does it diminish your Super-capacity to love?

Walk like a matador Don't be chicken-shit And turn breezes into rivulets

Flamenco-sweep the air And weave the sun Stamp your feet for everyone

Does it exhibit your Natural tendency to hate? Does it exhibit your Natural tendency to hate?

Maybe a prostitute Could teach you How to take a compliment

Maybe I'll go to New York
I'll drag you there
You said, "No one drags me anywhere"

Does it diminish your Super-capacity to love? Does it diminish your Super-capacity to love?

To love To love
