

She's A Beauty

The Tubes

Step right up and don't be shy
Because you will not believe your eyes
She's right here behind the glass
And you're gonna like her 'cause she's got class

You can look inside another world
You get to talk to a pretty girl
She's everything you dream about

Don't fall in love, she's a beauty
One in a million girls a beauty
Why would I lie? Why would I lie?

You can say anything you like
But you can't touch the merchandise
She'll give you every pennies worth
But it will cost you a dollar first

You can step outside your little world
You can talk to a pretty girl
She's everything you dream about

Don't fall in love she's a beauty
She's one in a million girls, one in a million girls
Why would I lie? Why would I lie?

Don't fall in love if you do you'll find out she won't love you
She's one in a million girls, one in a million girls
Why would I lie? Why would I lie?

Step outside your world

Don't fall in love she's a beauty
She's one in a million girls, one in a million girls
Why would I lie? Why would I lie?

Don't fall in love if you do you'll find out she won't love you
She's one in a million girls, one in a million girls
Why would I lie? Why would I lie?

Don't fall in love if you do you'll find out she won't love you
She's one in a million girls, one in a million girls
Why would I lie? Why would I lie?

Don't fall in love
