

Animal

The Wanted

Here we go again
I kinda wanna be more than friends
So take it easy on me
I'm afraid, you're never satisfied
Here we go again
We're sick like animals, we play pretend
You're just a cannibal
And I'm afraid
I won't get out alive

No, I won't sleep tonight

Woah
I want some more
Woah
What are you waiting for
What are you waiting for
Take a bite of my heart tonight

Here we are again
I feel the chemicals kickin' in
It's getting heavy
And I wanna run and hide
I wanna run and hide
I do it every time
It's killin' me now
And I won't be denied by you
The animal inside of you

Woah
I want some more
Woah
What are you waiting for
Take a bite of my heart tonight
Woah
I want some more
Woah
What are you waiting for
What are you waiting for
Say goodbye to my heart tonight

Hush, hush the world is quiet
Hush, hush we both can't fight it
It's us that made this mess
Why can't you understand?
Oh, I won't sleep tonight

Here we go again

Woah
I want some more
Woah
What are you waiting for
Take a bite of my heart tonight
Woah
I want some more
Woah

What are you waiting for
What are you waiting for
Say goodbye to my heart tonight
