

Don't Wanna Lose This Feeling

Third World

Oh, baby

I got my heart on the line
Don't wanna lose it
Got my heart on the line

I got my heart on the line
Don't wanna lose it
Got my heart on the line

Girl, in you I found
What made me turn my life around
My love it's oh, so clear
But I'm gonna stay so near

You ask me am I serious
My love for you is so, so precious

I don't wanna lose this feeling
I don't wanna lose this feeling
I don't wanna lose this feeling
I don't wanna lose this feeling
(I don't wanna lose this feeling)

In a world with little meaning
You gave my life some feeling
And through your arms I found
Our love, it's on solid ground, oh

You ask me am I crazy
Maybe it could be that I love you, baby

I don't wanna lose this feeling
I don't wanna lose this feeling
Baby, I don't wanna lose this feeling
I don't wanna lose this feeling
(I don't wanna lose this feeling)

You asked me am I sure
And I don't wanna feel
If you'll walk through the door

I don't wanna lose this feeling
I don't wanna lose this feeling
I don't wanna lose this feeling
No, I don't wanna lose this feeling
(I don't wanna lose this feeling)

A million years could not change
My life was one with you
You brighten everyday
Even when the dark clouds won't go away

Yes, you know I'm serious
And my love for you is so, so precious

I don't wanna lose this feeling

I don't wanna lose this feeling
I don't wanna lose this feeling
I don't wanna lose this feeling
(I don't wanna lose this feeling)

I got my heart on the line
Just don't wanna lose it
Got my heart on the line

I got my heart on the line
Just don't wanna lose it

I don't wanna lose this feeling
I don't wanna lose this feeling
I don't wanna lose
