

# Hamilton Anxiety Scale

Thomas Giles

Can't control my fear, my doubts.  
I want to change, help me. x 2

When rivers flow backwards  
Our words drown inside us.  
Speak up, scream out, hear me.  
Come out of this shell.

Breathe in slowly--feel your pulse.  
Lay down with sound--feel your pulse.

Can't control my fear, my doubts.  
I want to change, help me.
