Timber Timbre

Welcome back, rattlesnake.
Home, I want to be tonight

Timber shovel, lager glass
Home, I want to be tonight

Mother, father, sister, fright.
Home, I want to be tonight

Timber stairway, starling fight
Home, I want to be tonight

Home, I want to be tonight.
And home I want to be tonight,
Home I want to get this right
And I want to come back home.

Boot shellac, blue-collar slack
Home, I want to be tonight

Proudly slayed and wicked white
Home, I want to be tonight

Magazine, love letter, light
Home, I want to be tonight

Wait you must, you won't, you might
Home, I want to be tonight

Home, I want to be tonight.
And home I want to be tonight,
Home I want to get this right
And I want to come back home.
