To Get Down

Timo Maas

What comes around What comes around What comes around What comes around Just comes around What goes around Just comes around This is the sound It's time to get down What goes around Just comes around This is the sound It's time to get down What goes around Just comes around This is the sound It's time to get down What goes around Just comes around This is the sound It's time to get down What comes around What comes around Just comes around What goes around Just comes around This is the sound It's time to get down What goes around Just comes around This is the sound It's time to get down What goes around Just comes around This is the sound It's time to get down What goes around Just comes around This is the sound It's time to get down What goes around Just comes around This is the sound It's time to get down What goes around

Just comes around

This is the sound
It's time to get down
