Whistle Down the Wind

Tina Arena

Whistle down the wind Let your voices carry Drown out all the rain Light a patch of darkness Treacherous and scary

Howl at the stars
Whisper when you're sleepy
I'll be there you hold you
I'll be there to stop
The chills and all the weeping

Make it clear and strong
So the whole night long
Every signal that you send
Until the very end
I will not abandon you my precious friend

So try and stand the tide Then you'll raise a banner Send a flare up in the sky Try to burn a torch And try to build a bonfire

Every signal that you send Until the very end I'm there

So whistle down the wind For I have always been Right there Oh yeah
