

## Silver Tongue

### Today Is The Day

A storm is rising can't you sense it what are you gonna do  
what she would say when your house burns down on your judgement  
day after and  
after after the laughter words won't mean shit I'll plead with  
you I'll beg for  
you I'll steal for you I'll plead with you looking down on me l  
ocking down on me  
licking down on me I'm alright I'm just drunk fuck it man tell  
lies anything.
