

# Grapefruit Moon

Tom Waits

Grapefruit moon, one star shining  
Shining down on me  
Heard that tune, and now I'm pining  
Honey, can't you see?

'Cause every time I hear that melody  
Well, something breaks inside  
And the grapefruit moon, one star shining  
Can't turn back the tide

Never had no destination  
Could not get across  
You became my inspiration  
Oh but what a cost

'Cause every time I hear that melody  
Well, something breaks inside  
And the grapefruit moon, one star shining  
Is more than I can hide

Now I'm smoking cigarettes  
And I strive for purity  
And I slip just like the stars  
Into obscurity

'Cause every time I hear that melody  
Puts me up a tree  
And the grapefruit moon, one star shining  
Is all that I can see
