

# Party Girl

Tommy Roe

Dance your last dance  
Party girl, party girl  
Have yourself a time, party girl  
'Cause when this party's through  
I've got plans for you  
So just dance your last dance  
Party girl

I realize there's fifty guys  
That you've got on a string  
But I'm gonna change all that  
When I'll show you this diamond ring  
You'll forget that singing band  
When you hear those choir boys sing  
You're gonna trade your dancing shoes  
For apron strings and things  
So just

Party girl  
You laugh like it's just a game  
Like they say in storybooks  
Tigers can be tamed  
Won't you be surprised  
You'll take a second look  
Instead of the bossa nova  
You'll be learning how to cook  
So just
