

# First Heartbreak

Tori Kelly

You never hear me singing love songs, wasn't big on poetry  
Never cried in the movies, didn't want to feel so weak  
I would never talk about it, never let it get too deep  
But there's something in me changing; guess you did something to me

Cause for the first time i get worried when i'm looking in your eyes  
That one day, you might leave me, and it keeps me up at night  
I guess that means i really love you, cause i'm afraid to make mistakes  
If you ever left me, that would be my first heartbreak

ooh-ooh ooh-ooh  
ooh-ooh ooh-ooh  
If you ever left me, that would be my first heartbreak

Maybe i shouldn't be thinking so far ahead  
Better just enjoy this moment and be happy for what i get  
But you know it's not that easy, to get out of my head  
So i guess that it's a good thing when you want something so bad

Cause for the first time i get worried when i'm looking in your eyes  
That one day, you might leave me, and it keeps me up at night  
I guess that means i really love you, cause i'm afraid to make mistakes  
If you ever left me, that would be my first heartbreak

I wanna run, i wanna stay  
Hold every piece so it won't break  
Wanna let go, wanna hold tight  
Afraid that i might suffocate  
You with my love  
How much is enough?  
How much is too safe?

Cause for the first time i get worried when i'm looking in your eyes  
That one day, you might leave me, and it keeps me up at night  
I guess that means i really love you, cause i'm afraid to make mistakes  
If you ever left me, that would be my first heartbreak

ooh-ooh ooh-ooh  
ooh-ooh ooh-ooh  
If you ever left me, that would be my first heartbreak
