A song for yukiko

Yukiko takahashi:

(in japanese)

Tricky:

So if you would put a dress on  
Unless you put the stress on  
Tuck your hair behind your ears  
Your tears, your silly fears  
I'd be your teddy bear  
You'd choose the clothes I wear  
For you I'd suffer much pain  
Sharp glass migraine  
For you I'd put a stress on  
For you I'd put a dress on  
For you I'd lose my focus  
I'd swim in swarms of locusts  
For you I'd swim with ease  
Save the planet  
Leave the trees  
For you I'd put a dress on  
A dress to impress on

John suzuki:

(in japanese)

Slowly

Act like you know me

Slowly

Act like you know me

Tricky:

Slowly, slowly

Act like you know me

Slowly, slowly

Act like you know me

So if you would put a dress on  
Unless you put the stress on  
Tuck your hair behind your ears  
Your tears, your silly fears  
I'd be your teddy bear  
You'd choose the clothes I wear  
For you I'd suffer much pain  
Sharp glass migraine  
For you I'd put a stress on  
For you I'd put a dress on  
For you I'd lose my focus  
I'd swim in swarms of locusts  
For you I'd swim with ease  
Save the planet  
Leave the trees  
For you I'd put a dress on  
A dress to impress on

John suzuki:

(in japanese)

Tricky:

Slowly, slowly

Act like you know me

Slowly, slowly

Act like you know me
