I can picture it now You in your car Left the bar Playing big part Keep up complainin? It?s probably rainin? Keeping complaining It?s probably raining You?re gonna visit your car It?s one of my peeps With a blow to your head Is that what you need? You?re probably bleeding Is that what you needed? You?re probably bleeding Just like a movie Just like a movie Just like a movie Life doesn?t move me Life doesn?t move me I keep with you now Here in your car Left the bar Playing the big part Keeping complaining It?s probably raining It?s one of my peeps With a blow to your head Is that what you needed? What you needed What you needed You caught me breathing It?s just like a movie Life?s just like a movie It?s like a movie Just like a movie It doesn?t move me Move me, move me It doesn?t move me Life doesn?t move It doesn?t move me Move me It?s like a blow to the head It?s like a blow to my head It doesn?t move me Move me, move me Move me It doesn?t move me It?s like a movie Just like a movie Blow to the head Life?s like a blow to the head What you needed What you needed What you needed Life?s like a blow to the head It?s that what you needed

Is that what you needed?
What you needed
A blow to the head
Move me, move me
It doesn?t move
It doesn?t move
It?s like a movie
Movie, movie
Just like a movie
It doesn?t move me
It doesn?t move me
It?s like a movie
