Contradictive

Look who do I have to have And why? A city's child Real mode, you have to talk about it An old pro, still we're 'bout it, 'bout it Don't frown about it It's best you keep quiet You could never lead a riot Money don't make you a leader Leaders usually reads Go read a book He shaked then he shook I need that crack, I need that crack You're swingin' the pipe Do what you like, goin' doom doom Reflect on the room, reflect on your life Go stab yourself with a knife Reflect on your life Time isn't real How much time Can you kill? Reflect on your life Time isn't real How much time Can you kill? Vengeance isn't mine We're taught to hate from time Time isn't real How much time can you kill? Luca Brazzi He sleeps with the fishes Fuck Sugar and Spice And girls with deadly kisses Purr like a cat Raising towers I go over her house For the most I got diamonds on suits A girl's erased diamonds with new shoes Remember Hollywood? You could finally make deals Screamin', nigger you can get these Stereotypical Almost mythical Like Mickey Mouse I'll blow down your house Blow up your whole image Hardcore musicians with image Love You're silver screen You're a hardcore lovin' machine You play hardcore with me And sooner or later we'll see Reflect on your life Time isn't real How much time Can you kill? Reflect on your life

Tricky

```
Time isn't real
How much time
Can you kill?
Reflect on your life
Time isn't real
How much time
Can you kill?
