

Angels Brought Me Here

Troye Sivan

It's been a long and winding journey
But I'm finally here tonight
Picking up the pieces, and walking back into the light
Into the sunset of your glory
Where my heart and future lies
There's nothing like that feeling,
When I look into your eyes

My dreams came true, when I found you
I found you, my miracle

If you could see, what I see,
That you're the answer to my prayers
And if you could feel, the tenderness I feel
You would know, it would be clear
That angels brought me here

Standing here before you
Feels like I've been born again
Every breath is your love
Every heartbeat speaks your name

My dreams came true, right here in front of you
My miracle...

If you could see, what I see
You're the answer to my prayers
And if you could feel, the tenderness I feel
You would know, it would be clear
That angels brought me here

Brought me here to be with you,
I'll be forever grateful (Oh, forever faithful)
My dreams came true
When I found you
My miracle

If you could see, what I see
You're the answer to my prayers
And if you could feel, the tenderness I feel
You would know, it would be clear
That angels brought me here
Yes they brought me here
If you could feel, the tenderness I feel
You would know, it would be clear
That angels brought me here
