

Different

Twiztid

We be the exact opposite
From you ignorent counterfeit
Normal mothafuckas so proud of the innocence
Forever in this bitch
Fuckin' with the dead
With invisible X's in the middle of our foreheads
Well what you call us?
Actin' like you don't know
In the midst of the Twiztid serial killin' juggalos
We stay different...I guess different minds think alike
We the children of the night
You don't wanna fight (that's right!)
Cuz if it gets to swayin', there's gon' more than feelings hurt up in here t
onight
That's what it's like when you fuckin' with us
And then you get fucked up and shit is oh-so serious
Don't even speak on us, now I know
That everyone got they own personal reason for hatin' us
But I don't care bitch, shut the fuck up
Try strange, deranged, divine, and different
I'M DIFFERENT!!
I'm not like you
I'M DIFFERENT!!
I like fuckin' with voodoo
I'M DIFFERENT!!
I come from the dark side
I'M DIFFERENT!!
I seen the dead come alive
I'M DIFFERENT!!
I'm not like you
I'M DIFFERENT!!
I like fuckin' with voodoo
I'M DIFFERENT!!
I come from the dark side
I'M DIFFERENT!!
I seen the dead come alive

Treated different by the rest of the world 'cause of my axe
The tripped out raps and the bugged ass contacts
Not normal, nothing in comparison
So stop frontin' bitch, you's embarassing
Seperated from the rest at birth
And the blood in my veins is cursed
I'm leavin' the earth
Represented by killas and juggalos
And all that don't know should die like some dumb ho's
My contagious mindstate spreads quicker than the cold in most states
And I hope you both hate
Can't stop what you can't see
I'm slippin' in through your back door tying up your family
Unexpected and unexplained
I'm underground and
I'm in--I'm in--INSAAAAANNNEE!!!
People good at talk the talk
But I'ma walk the walk
And leave you drawn in chalk, bitch

I'M DIFFERENT!!
I'm not like you
I'M DIFFERENT!!
I like fuckin' with voodoo
I'M DIFFERENT!!
I come from the dark side
I'M DIFFERENT!!
I seen the dead come alive
I'M DIFFERENT!!
I'm not like you
I'M DIFFERENT!!
I like fuckin' with voodoo
I'M DIFFERENT!!
I come from the dark side
I'M DIFFERENT!!
I seen the dead come alive

I'm different like I never existed
Different like that 50 pack smokin' bud toker from Twiztid
I'M DIFFERENT!!
Like I'm segregated
Nah, hold up, fuck that, a better word is playa hated
DIFFERENT!!
'Cause it's so for real
And if you come with weak shit, the axe will weild, I said...
DIFFERENT!!
You can see it in my soul
I'm different 'cause I'm Twiztid for life with juggalos

We walk through walls, sleep with the bats
Been to Heaven and Hell and still can't relax
I'M DIFFERENT!!
At least my mama called my strange
Said that I would be dangerous if I was given a brain
I'm a serial killa, that's what I amounted to be
And there's more than a thin line between you and me
I live behind the mirror and I'm every bad dream
So believe what you heard and seen
'Cause I'm different

I'M DIFFERENT!!
I'm not like you
I'M DIFFERENT!!
I like fuckin' with voodoo
I'M DIFFERENT!!
I come from the dark side
I'M DIFFERENT!!
I seen the dead come alive
I'M DIFFERENT!!
I'm not like you
I'M DIFFERENT!!
I like fuckin' with voodoo
I'M DIFFERENT!!
I come from the dark side
I'M DIFFERENT!!
I seen the dead come alive
I'M DIFFERENT!!
I'm not like you
I'M DIFFERENT!!
I like fuckin' with voodoo
I'M DIFFERENT!!
I come from the dark side
I'M DIFFERENT!!

I seen the dead come alive
I'M DIFFERENT!!
I'm not like you
I'M DIFFERENT!!
I like fuckin' with voodoo
I'M DIFFERENT!!
I come from the dark side
I'M DIFFERENT!!
I seen the dead come alive
