

## Redrum

Ugress

Someone please explain  
Why is my bedrom  
Such a bloody mess

My hand shiver  
My mind is dead  
A glimpse of silver  
Then red

Someone screaming  
I think it's me  
Why  
Has slipped my memory

Someone please explain  
Why is my bedrom  
Such a bloody mess

My hand shiver  
My mind is dead  
A glimpse of silver  
Then all I see is red

Someone screaming  
and I think it's me  
Why  
Has slipped my memory
